ARTICLE 2      Motion by David Andrzejewski and seconded by Richard Smith to see if the Town will vote to raise and appropriate the sum of \$114,500.00 less estimated revenues to defray Town charges for the ensuing year.  
(Voted-Yes)

ARTICLE 3      Motion by Richard A. Smith, Jr. and seconded by Marjorie T. Rowell to see if the Town will authorize the Selectmen to hire money in anticipation of Taxes.  
(Voted-Yes)

ARTICLE 4      Motion by Walter Schlotterbeck and seconded by Martha Moses on Petition of Henry F. Lewandowski, Jr. and 67 others to see if the Town will vote to establish a Capital Reserve Fund pursuant to the provisions of RSA Chapter 35, as amended for the financing of all the cost of the acquisition of an automobile and appurtenant equipment to be used as a police cruiser, said Capital Reserve Fund to be known as the Police Department Automobile Capital Reserve Fund. After discussion the motion was made and seconded to amend the original motion to include the word, "new" between and automobile. After the amended

motion failed, a motion was made to vote on the original motion and seconded.

(Voted-Yes)

ARTICLE 5            Motion by Anthony Batal and seconded by Carol Davis on petition of Henry F. Lewandowski, Jr. and 67 others to see if the Town will raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500.00) for the Police Department Automobile Capital Reserve Fund.

(Voted-Yes)

ARTICLE 6            Motion by Richard A. Smith, Jr. and seconded by Francis L.M. Smith to see if the Town will vote to raise and appropriate the sum of \$225.77 against the State appropriation of \$1,505.17 for Class V Road Assistance.

(Voted-Yes)

ARTICLE 7            Motion by Walter Schlotterbeck and seconded by Daniel T. Bodwell to see if the Town will vote to authorize the Selectmen to receive and expend additional Highway Subsidy Funds, estimated to be \$3,927.77 for the construction or reconstruction of Class IV and Class V Highways.

(Voted-Yes)

ARTICLE 8            Motion by David Andrzejewski and seconded by Margaret Tilton to see if the Town will vote to raise and appropriate the sum of \$1,900.00 for the purchase of a Bookcase (\$1,000.00) for the library and a Fireproof File (\$900.00) for the storage of Town Records.

(Voted-Yes)

ARTICLE 9            Motion by Richard A. Smith, Jr. and seconded by Anthony Batal to see if the Town will vote to raise and appropriate the sum

of \$15,000.00 to purchase certain land from the Boston & Maine Corp.-Debtor, for recreational use; authorize the Selectmen to negotiate the terms and conditions of said purchase and to apply for and to accept State or Federal Grants in aid of such project, if any, all as shall be in the best interests of the Town. After discussion a motion by Robert Caron and seconded by Kent Sheperd was made to amend the original article to omit the line, "and to apply for and to accept State or Federal Grants in aid in aid of said project, if any."

(Voted-Yes)

ARTICLE 10      Motion by Walter Schlotterbeck and seconded by Martha Moses to see if the Town will vote to raise and appropriate the sum of \$1,282.00 for the Exeter Visiting Nurse Association.

(Voted-Yes)

ARTICLE 11      Motion by David Andrzejewski and seconded by Carol Davis to see if the Town will authorize the Board of Selectmen to make application for and to receive and spend up to \$5,500.00 of funds that may become available to the Town under "The Comprehensive Employment and Training Act of 1973" as amended (CETA) for the purpose of providing federally subsidized training and employment opportunities to benefit both residents of the community and the community-at-large.

(Voted-Yes)

ARTICLE 12      Motion by Richard A. Smith, Jr. and seconded by Susan Oeschle to see if the Town will vote to raise and appropriate the sum of \$684.00 as its contribution and support to the Southeastern New Hampshire Regional Planning Commission.

(Voted-Yes)

ARTICLE 13        Motion by Walter Schlotterbeck and seconded by Denis Plante on petition of Barbara M. Belcher and ten (10) others to see if the Town will vote to raise and appropriate the sum of \$578.00 to assist Rockingham Child and Family Services, a private, non-profit organization. The amount of this request is based on services rendered to (10) residents of the Town of East Kingston during the period July 1, 1978 through June 30, 1979 inclusive. These residents used \$1,470.00 worth of services, however, only \$578.00 could be billed according to their ability to pay. We therefore request the minimum amount needed from the Town, in this instance being \$578.00. These funds to be used for current operation expenses to enable Rockingham Child and Family Services to continue providing individual and family counseling for residents of the Town of East Kingston whether or not said residents are able to pay.        (Voted-Yes)

ARTICLE 14        Motion by David Andrzejewski and seconded by Francis Smith to see if the Town will vote to appropriate and allocate Revenue Sharing Funds of \$7,728.00 said sum being made up of interest of \$549.00, unexpended funds of \$475.00 and unappropriated funds of \$6,704.00; to be allocated for the following projects:

Fire Department Hose	\$1,250.00
Police Department Radios	2,094.00
Town Clerk, Tax Collector's	
Office & Town Hall Repairs	4,384.00

A motion by David Conti and seconded by Denis Plante to amend the motion to consider each item of Article 14 separately was made. On advice of moderator, Robert Donovan, David Andrzejewski withdrew

his original motion and Francis Smith withdrew his second. Mr. Conti's motion passed and discussion was open. A motion by David Conti and seconded by Francis Smith to see if the Town will vote to appropriate and allocate from Revenue Sharing Funds \$1,250.00 for Fire Department Hose.

(Voted Yes)

A motion by Henry F. Lewandowski, Jr. and seconded by John Ioia to see if the Town will vote to appropriate and allocate Revenue Sharing Funds of \$2094.00 for Police Department Radios. (Voted-Yes)

A motion by David Andrzejewski and seconded by Cathy George to see if the Town will vote to appropriate and allocate Revenue Sharing Funds of \$4,384.00 for Town Clerk, Tax Collector's Office and Town Hall repairs. Discussion on this article was considerable, and included alternate locations for an office including the Library, Selectmen's Office, Brown Academy, Police Station, Town Hall stage, Furnace Room, a building between the Police Station and Fire House, and a Mobile Home converted to an office or a Mobile Office behind the Town Hall. The meeting was reminded that if the money was not allocated it would be lost and that action must be limited to what was stated in the Warrant Article. A motion by Robert Fairbanks and seconded by Robert Belcher to table the article was defeated. A motion was made by Richard Pelley and seconded by Marjorie Rowell to amend the article to read to include the line, "but not in the Town Hall and Town Hall repairs". (Voted-Yes)

- ARTICLE 15      Motion by Richard A. Smith, Jr. and seconded by Mrs. Schlotterbeck to see if the Town will vote to raise and appropriate the of \$600.00 to provide a salary for the position of Deputy Town Clerk-Tax Collector. A motion by Richard Smith and seconded by Robert Belcher to table this article was made. (Voted-Yes)
- ARTICLE 16      Motion by Walter Schlotterbeck and seconded by Molly Allen on petition of Anthony Batal and 10 others to see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the purpose of buying Monkey Bars and accessories for Foss-Wasson Field. (Voted-No)
- ARTICLE 17      Motion by David Andrzejewski and seconded by Betty Borin on petition of Wilma Young and 9 others to see if the Town will vote to raise and appropriate the sum of \$280.00 to purchase 1 Portable Oxygen Kit and tuition for one squad member to receive E.M.T. (Emergency Medical Training Technician) Training. (Voted-Yes)
- ARTICLE 18      Motion by Richard A. Smith, Jr. and seconded by David Andrzejewski to see if the Town will vote to raise and appropriate the sum of \$1,710.00 to provide continuing Ambulance Service to the Town. Said service to be provided by EMT-Ambulance Service of Exeter, NH. (Voted-Yes)
- ARTICLE 19      Motion by Walter Schlotterbeck and seconded by Francis Smith to see if the Town will vote to raise and appropriate the sum of \$5000.00 to pay Firemen for Fire Calls and training, and the unused portion to be put in the Fire Truck Capital Reserve Fund. (Voted-Yes)

ARTICLE 20        Motion by David Andrzejewski and seconded by Richard Pelley to see if the Town will vote to raise and appropriate the sum of \$7,000.00 to finance the cost of reappraising and revaluation of all lands and buildings in Town which are subject to taxation, and to authorize the Selectmen to contract for such service and to negotiate the terms and conditions of any such contract.  
(Voted-No)

ARTICLE 21        Motion by Richard A. Smith, Jr. and seconded by Marjorie Rowell to see if the Town will authorize the Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the State, Federal or another governmental unit or private source which becomes available during the fiscal year in accordance with the procedures set forth in RSA 31:95-b.  
(Voted-Yes)

ARTICLE 22        Motion by Walter Schlotterbeck and seconded by Betty Borin to see if the Town will accept the reports of the Town Officers and Auditors as printed in the Town Report with the following corrections:  
a) pg 40. Under credits line to read O/P \$168.41.  
b) pg 43. Column interest collected added in with collections.  
c) pg 38. Schools, Land and Buildings value should read \$130,000.00  
Motion to accept with above corrections.  
(Voted-Yes)

ARTICLE 23        Motion by David Andrzejewski to transact any business that may legally come before this meeting.

Motion by Robert Belcher and seconded by Elliott Estey that it would be of great

assistance in an emergency for the Police and Fire Departments if the houses in Town were numbered. (Voted-Yes)

Motion by David Conti and seconded by Mrs. Schlotterbeck to take the pulse of the Town concerning use of allocated funds for Town Clerk-Tax Collectors Office. (Voted-Yes)

Motion by David Andrzejewski and seconded by Anthony Batal that the Moderator appoint a committee to review Town Officers salaries and to bring in a detailed salary proposal. (Voted-Yes)

David Andrzejewski presented an award to George Westwood, Jr. (Town Treasurer) on behalf of the community for the fine job he did in investing the Town funds and earning the Town in excess of (\$12,000.00) Twelve Thousand Dollars interest.

David Andrzejewski thanked the community for their support during his terms as Selectman and mentioned his satisfaction in the way the community has grown. He received much applause.

At the direction of the Moderator and the voting being finished the meeting was declared adjourned at 11:15 PM.

A true record,  
Virginia A. Corton  
Town Clerk

## **SELECTMEN'S REPORT 1980**

This past year has brought with it two significant changes in the profile of our town. Specifically, the assumption of the William R. Rosenberg property of the University of New Hampshire, and the approval of a nine hole golf course to be constructed on East Road, on property formerly owned by Donald Ross.

The Rosenberg property is to be used as a conference center for academic programs. As of the close of the year, it was not clear as to what effect the transfer of ownership will have ultimately on the Town's tax base. The University has suggested that it may be possible for it to assist the town in other areas that may reduce the impact to the town due to the loss in taxes.

As a result of town meeting the following activities were undertaken by the Board of Selectmen:

1. Negotiations were entered into with the Trustees of the Boston and Maine Railroad Corporation for the purchase of certain land situated along Route 107A, for recreational use. At the close of the year, agreements of intent were in place, and final negotiations in progress which will lead to the town's ownership of the property.

2. A mobile office trailer was purchased to be used as an office for the Town Clerk - Tax Collector. For the convenience of the Townspeople, the office is located at the rear of the town hall. This location was selected for reasons of its central location and available parking area. Unfortunately, a heavy windstorm blew over the office trailer before it was set in place, causing some damage. The damage was covered by insurance, but did cause some delay in the project completion. It is anticipated that the new facility will be available to the public in late spring 1981.

3. A Town Parking Ordinance was adopted in September, as a result of recommendations received from the Police and Fire departments. Previously, the Police department had some difficulty in taking appropriate action during times when vehicles were obstructing emergency vehicles, public and private ways, and snow removal equipment.

During the year the following appointments were made:

Donald C. Andolina  
Henry F. Lewandowski, Jr.  
Robert Marston  
Carolyn A. Merriam  
Donald Ross  
Wayne Day  
Kent Sheperd  
Everett Stone  
Francis Waters

Reserve Police Officer  
Deputy Police Chief  
Animal Control Officer  
Board of Adjustment  
Conservation Commission  
Conservation Commission  
Regional Planning Board  
Building Inspector  
Reserve Police Officer

The town is in need of a Civil Defense Director. Very important issues and projects relating to disaster and evacuation planning have been delayed due to our inability of finding a town person to accept an appointment.

The Selectmen take this opportunity to solicit your interest in applying for the position of Civil Defense Director or in any other committee in town government.

Office equipment purchases were held to a minimum during 1980, with the following being procured:

Secretarial chair	Selectmen's Secretary
Fire proof file	Town records

A special note of congratulation is in order to Master Mark Pelley, for achieving the rank of Eagle Scout during the year.

We would like to publicly welcome the new residents of East Kingston, and sincerely urge that they take an active part in helping all of us continue to make our town the fine place that it is.

It is with deep regret that we announce the passing of Mr. Frederic L. Smith, Chairman of the Historical Committee. Pete served the town in several capacities including Selectman, and is largely responsible for researching and documenting the history of the town. He will be sadly missed.

Finally, we would be remiss if we did not express our most sincere gratitude to all of you who worked so faithfully during the year, performing the roles of Town Officers, Committee members and Employees of the town.

Respectfully submitted  
Richard A. Smith, Jr. Chairman  
Walter B. Schlotterbeck  
Donald C. Andolina

## **SALARY COMMITTEE REPORT**

A committee of five members was appointed on March 14, 1980 by the Town Moderator pursuant to the vote taken under Article 23 of the Warrant for the Annual Town Meeting of 1980 for the purpose of reviewing the salaries of Town Officials and reporting back with recommendations to the Annual Town Meeting of 1981.

In arriving at its recommendations, the committee studied the history of past salary reviews conducted in 1963 and 1973 and interim changes, and the salaries of elected officials in other towns of similar size as reported by the 1979 Wage, Salary and Fringe Benefit Survey of the New Hampshire Municipal Association. The committee also solicited information regarding the time commitment presently required in discharging the responsibilities of each Town Office, as well as opinions regarding present salary levels, through a questionnaire sent to each Town Official.

Time demands on Town Officials fall into two distinct categories. In East Kingston at its present size, the offices of Auditor, Moderator, Supervisor of the Checklist, Bookkeeper (Secretary) of the Trust Funds and Election Officer require 30 to 80 hours annually. These offices would hopefully be filled by individuals who would volunteer their time and talents as a service to the community. For example, Library Trustees and members of the Planning Board and special committees such as this Salary Review Committee receive no financial compensation, yet in some cases spend 30 to 80 hours or more annually in the discharge of their responsibilities.

Nevertheless, the committee felt that where salaries had been paid in the past to this category of Town Officials, payments should continue and even increase. However, such payments should not represent a salary in payment of services rendered, by an "honorarium" in thankful recognition of time and skills donated by these individuals.

With the above in mind, the committee recommends changing the salary of the Supervisors of the Checklist from an hourly to a per election basis. The committee also recommends that all election officers — Selectmen, Town

Clerk/Tax Collector, and including the appointed offices of Inspectors of Election — be paid the same amount.

The second category of Town Officials including Treasurer, Selectmen and Town Clerk/Tax Collector spend hundreds of hours (up to 1200) per year. In addition, these individuals are frequently tied down with the need to maintain a fixed schedule of office hours. Some of these hours require special skills and/or policy and decision making responsibilities, but most of the hours in these jobs are spent performing fairly routine tasks.

The committee decided that it is reasonable to expect a donation of some of the special skills and high quality hours spent on policy and decision making, but these officials must be fairly compensated for the large number of hours spent, particularly on the routine aspects of these jobs which are not as inherently rewarding. Salary recommendations for this second category of Town Officials were established accordingly.

Other matters relevant to salaries were also considered. The committee decided to recommend against continuing the practice of applying fees collected in the performance of official functions as part of the salary of the Town Official involved. A straight salary provides for better financial control and is less subject to potential abuse. The concept of tying salaries to a percentage of either monies collected or return on investments was rejected on the same basis.

Automatic cost of living salary adjustments for Town Officials was considered to be inappropriate — the majority of East Kingston's residents are not able to keep up with the increasing cost of living. However, the committee does recommend that a new Salary Review Committee be appointed in 1985 to report to the 1986 Annual Town Meeting with new salary recommendations, and that reviews be conducted at five year intervals thereafter. If inflation continues at the present double-digit rate, the review period should be more frequent.

Looking into the future, and especially as the town grows in size, the committee suggests that improved efficiency should be obtained through centralization of all Town records, along with computerized billing and

account maintainance. A paid clerk could perform most of the routine aspects of the Selectmen, Town Clerk/Tax Collector and Treasurer's jobs, in which case the salary expectations of these Town Officials need not be as great.

- B. All fees collected by any Town official shall be retained by the town.
- C. It is recommended that a Salary Review Committee be appointed in 1985 to bring salary recommendations to the 1986 Annual Meeting of the Town, and that subsequent reviews be conducted at intervals not to exceed five years.

16. To see if the Town will vote to adopt the Drinking Ordinance as proposed by the Board of Selectmen. The proposed Drinking Ordinance is as follows:

## PUBLIC DRINKING ORDINANCE

of the

Town of East Kingston, New Hampshire

**Article 1.** This ordinance is established in pursuance of authority conferred by Chapter 31, Section 39 of the Revised Statutes Annotated of the State of New Hampshire, or any amendments thereto, for the care, protection, preservation and use of the public cemeteries, parks, commons, libraries and other public institutions of the Town.

**Article II.** No person shall consume any alcoholic beverage, or have in their possession any open container of alcoholic beverage while upon any public park, playground, Town owned property or any public way within the Town of East Kingston.

**Article III.** No person shall consume any alcoholic beverage, or have in their possession any open container of alcoholic beverage while in any motor vehicle while upon any public way, public park, playground, or Town owned property, within the Town of East Kingston.

**Article IV.** Exemptions to this ordinance may be granted by the Board of Selectmen of the Town, provided, however that application for same is made in writing fifteen (15) days prior to the scheduled event. In those cases where exemptions are allowed, the applicant or applicants must agree to comply with any pertinent regulations that may be in effect at the time, including State statutes.

**Article V.** Any person, firm or corporation violating any

provision of the ordinance shall be punishable by a fine not more than one hundred dollars (\$100.) for each offense.

**Article VI.** This ordinance shall take effect immediately upon its passage.

17. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Board of Selectmen, to appoint a Deputy Treasurer, said Deputy shall be sworn, shall have the powers of the Treasurer and may be removed at the pleasure of the Treasurer.

18. To see if the Town will vote to raise and appropriate the sum of \$100.00 to provide a salary for the position of Deputy Treasurer.

19. To see if the Town will raise and appropriate the sum of \$3,500.00 for a soils survey of the Town. The survey to be accomplished by the U.S. Soil Conservation Service. This amount is approximately 1/3 (one-third) of the total cost of the survey and represents the Town's share of the Total cost.

20. To see if the Town will vote to authorize the Selectmen to negotiate with the New Hampshire Water Resources Board for a Lease agreement with the Board to land located at Trickling Falls Dam, East Kingston, New Hampshire.

21. To see if the Town will vote to raise and appropriate the sum of \$1,312.15 for the Exeter Visiting Nurse Association.

22. On petition of Barbara M. Belcher and 9 others to see if the Town will vote to raise and appropriate the sum of \$710.00 to assist Rockingham Child and Family Services, a private, non-profit organization. The amount of this request is based on services rendered to 31 residents of the Town of East Kingston during the period July 1, 1979 through June 30, 1980, inclusive. These residents used \$2,170.00 worth of services, however, only \$710.00 could be billed according to their ability to pay. We therefore request the minimum amount needed from the Town, in this instance being \$710.00. These funds to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing individual and family counseling for residents of the Town of East Kingston whether or not said residents are able to pay. .

23. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to finance approximately one-half the cost of reappraising and revaluating of all Town lands and buildings in Town which are subject to taxation and to authorize the Selectmen to solicit bids for reappraising and re-evaluating the Town in 1982. The additional funds required to be raised will be the subject of a warrant item in 1982.

24. To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in both taxes and spending by the state, or any city, town, or other governmental unit of the state to five percent unless approved by a 2/3 vote of those present and voting of such taxing or spending authority.

25. On petition of Mary Ioia and 55 others to request Selectment of East Kingston to appeal to the New Hampshire State Highway Commission to suspend work on the proposed road change on Rt 107/108 East Kingston until further discussion, another Public Hearing and revision of the proposed "improvement".

26. To see if the Town will vote to raise and appropriate the sum of \$550.00 for the development of street numbering system which will enable the present houses and future houses to be numbered in an orderly fashion. Present houses will be numbered, provisions for future houses will be made and notification of assigned numbers will be made as parts of this project.

27. On petition of Sheila Schott and 9 others to see if the Town of East Kingston will vote to raise and appropriate the sum of \$305.00 (three hundred five dollars) for the Greater Raymond Community Action Center, a part of Rockingham County Community Action Program, Inc., a private, non-profit, anti-poverty agency. This figure represents 2.5% of 12,179.00 (twelve thousand one hundred seventy-nine dollars) the value of services rendered to East Kingston residents from September 1, 1979 through August 31, 1980, and will be used to continue services to East Kingston residents during the upcoming year.

28. To see if the Town will vote to authorize the Selectment to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or another governmental unit or a private source which becomes available during the fiscal year in accordance with the procedures set forth in RSA 31:95-b.

29. To see if the Town will accept the Reports of the Town Officers and auditors as printed in the Town Report.

30. To transact any business that may legally come before this meeting.

Given under our hands and seal, this 16th day of February, in the year of our Lord nineteen hundred and eighty one.

## **LIBRARY TRUSTEES REPORT**

The East Kingston Public Library continues to serve the town very well, providing books, magazines and all kinds of information needed by townspeople and students.

Once again we are fortunate to have a fine new librarian in Ardith Polletta.

We loved Jane Bowley but are indeed lucky to have Ardith, who is taking courses to further her knowledge of library techniques.

We have our new bookcase given by the town in 1980. It supplies our needs and is a good addition to our space for books.

Serveral books have been given in memory of townspeople. A most generous memorial fund has been given in memory of Tony Poggio. This will be used for books.

We are most grateful to all these donors.

Margaret C. Tilton  
Chairman, Board of Trustees

Lost Dog Calls	30
Dogs Found and Returned to owners	13

A rabies clinic will be held on Saturday, May 2, 1981, from 1:00 until 2:00 P.M. The Town Clerk will be on hand to license dogs. This is a good time to have your dog licensed even if it doesn't need a vaccination.

One of the problems I have encountered is dogs wearing no identification. I try very hard to return lost dogs to their owners, but the task is difficult when the animals have no collars or tags. I urge all dog owners to make certain that their dogs carry identification at all times. It could save their lives.

Sincerely,  
Robert A. Marston, D.V.M.

## **TO THE CITIZENS OF EAST KINGSTON:**

1980 has been a good year for the Police Department. Crime has dropped in our town. Last year we added more hours for patrol which helped out greatly. In 1981 we hope to put out more daytime patrols because breaking and entry is most prevalent between the hours of 9-11 A.M. Vandalism is our sore spot. We hope to curb this on daytime patrols.

As this time I wish to thank Jim Armstrong for the volunteered carpentry work on the interior of the Police Station that he did. In last year's report his work was not acknowledged. Jim, you did a wonderful job and I want to make a public apology for not mentioning this in last year's report. Also, I would like to thank my police officers for donated hours without pay.

The Police Station will remain open to the public between the hours of 6 and 8 P.M.

Respectfully submitted,  
Chief Edward Morrill

## **REPORT OF EAST KINGSTON POLICE ASSOC.**

The East Kingston Police Association would like to express thanks again this year for support of our monthly raffle. This money is used to buy uniforms and equipment for the department. The Association again donated money to the Recreation Committee for the Christmas party. The Fishing Derby was a big success again. We would like to say thank you to Howard Cook for his generous Christmas gift.

Respectfully Submitted  
Ernest A. Goudreau  
Sec.-Treas. East Kingston Police Assoc.

## **MESSAGE FROM THE FIRE DEPARTMENT**

For as many people in town that are burning wood, or are strongly thinking that way please help the Fire Department. Call and get some advise from:

Robert Belcher - 642-3338

Richard Smith - 642-5544

David Conti - 642-8872

We are having our share of chimney fires, along with our surrounding towns. The residents of town are working very well with the Fire Dept. for which I am very thankful. Please be very careful when using a wood burning stove, clean chimney's and stove pipes regular.

And if there is any question in your mind of overheated stove, smell of smoke or etc.

### **CALL THE FIRE DEPT.**

**642-5266**

Thank You  
Robert Belcher  
Fire Chief

## **CALLS TO ASSIST PUBLIC**

We cut some padlocks for Poggio's. We also pumped out two wells, one for Fred Baker and the other for Ray Morin. There was a water problem at the Elementary School which we helped with so school would not have to be called off.

We entered parades which were in Raymond, Kingston, Danville, and the two that were here in town ending with Santa's trip around town.

The Fire Department participated in Disaster Drills, one in Plaistow at Surban Gas, and one in Stratham at Stratham Tire.

We also held Fire Drills at the schools.

**THE ANNUAL REPORT OF  
THE EAST KINGSTON  
VOLUNTEER FIREMAN'S ASSOCIATION**

We held our Annual Association Meeting in April. The new officers elected were:

President - Austin Carter  
Vice President - Adam Mazur  
Secretary - Peter Woodburn  
Treasurer - Robert Fairbanks

We held our annual supper of turkey and all the fixings, put on by the East Kingston Women's Guild of the Methodist Church, which was enjoyed by all.

A lecture was given by Mr. R. Sanborn on trains of the past to the present.

We held our annual lobster festival the second weekend of August. With thanks to the weather and support of the towns people, it was a big success. The next day we held our 8th Annual Firemans Parade and Field Day. We had a large turnout. The field day was run by the East Kingston Muster Team had 15 towns participating with 15 mens teams, 6 womens teams. With many thanks for Kingston Ambulance Service coverage for the days events.

Our muster team attended 9 towns, Milford, Hamilton, Wenham, in Mass., Deerfield, Candia, Hampstead, Farmington, Wolfboro, NH, High Pine, Maine, earning a total of 32 trophies.

We are in the process of erecting a 50 ft. antenna tower to improve communications to and from the base to men and equipment.

Santa Claus made his annual rounds on Christmas Eve through all the streets of East Kingston on the back of the fire truck, giving candy canes to all good little boys and girls of East Kingston.

The East Kingston Fire Dept. gained two new members this year. They are Robert Reagon, Jr. and Mark Chevalier. We request that anyone interested in joining please fill out an application form attached in the book and send to Austin Carter. You are welcome to come and attend our monthly meetings, first Thursday every month at 7:30 p.m.

We need and appreciate the support of the town.

Respectfully yours  
Austin Carter  
President

## EMERGENCY SQUAD

The East Kingston Emergency Squad provides emergency care for the town every evening from 7:00 p.m. to 7:00 a.m.

During the past year we had 20 calls. All calls are provided free of charge by the (6) six squad members. Robert Reagen, E.M.T., Janet Reagan, Adv. First Aid., Austin Carter, E.M.T., Rita Fairbanks, R.N., Adv. First Aid., Barbara Whiting, R.N., Adv. First Aid., Wilma Young, E.M.T. All squad members hold State of N.H. Ambulance Licenses.

The Squad gratefully acknowledges the gift from the Fire Dept. of two (2) Oxygen tanks. The squad had each tank renovated, and filled. A new regulator, tubing and mask was purchased for the Oxygen tank.

This year I am requesting money to cover the following items:

1. Jet Suctioning Equipment
2. Replacement of disposable supplies
3. Replenish the Oxygen through out the year
4. Maintain Radio Equipment. ie. Batteries, tuning,
4. Maintain Radio Equipment. ie. Batteries, tuning, etc.
5. Cont. Ed. for Squad members. ie. Seminars, ect.

To reach the Emergency Squad, call the following:  
E.M.T. Ambulance - 772-5912  
Rockingham Sheriff - 772-4716  
E.K. Fire Dept. - 642-5266

Any person wishing more information regarding the Squad may call me.

Sincerely,  
Wilma A. Young

## **REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE**

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fire was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town/city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town/city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

## **REPORT OF ROAD AGENT**

The year 1980 brought only a few small winter storms. Along with plowing and sanding, brush was cut on several roads and stumps removed.

In the spring roads were patched and signs were replaced.

Oiling of roads were done in the summer and a portion of Joslin Hill Road was resurfaced. A section of Stumpfield Road had a new drainage ditch and gravel shoulders installed.

Road Agent

## **EAST KINGSTON HISTORICAL COMMITTEE**

**December 31, 1980**

During the past year our committee has continued it's efforts in the gathering of information pertaining to the history of East Kingston. We have added to the geneological files and those of registered land deeds. A new member, Mrs. Jeannette Le Blanc, was appointed to the committee.

There were two major projects completed.

Firstly; A list has been compiled of all existing homes built before 1900. A map has been drawn up identifying their location and file cards made containing a sketch or photo of the building. It is hoped that in future information will be available on each house as to it's date of construction, builder, etc. Both map and cards may be seen at the East Kingston Library. Secondly; Information has been collected from stones at the Hillside Cemetery, organized and alphabetized by family surname, as an aid to those writing family histories.

Our committee suffered a loss with the death of it's chairman Frederic L. Smith. The time, effort and encouragement he gave to the committee was greatly appreciated and he will be much missed.

## **REPORT OF THE EAST KINGSTON PLANNING BOARD 1980**

The Planning Board meets in the Town Hall on the third Wednesday of each month at 7:30 p.m. The Sounding Board meets on the second Wednesday of the month at 7:30 p.m. in the Town Hall. Everyone interested is welcome to attend.

They are well advanced on the Master Plan and will have it ready in late Spring of 1981.

The Board held a public hearing for a subdivision with two building lots. Approval was given.

During the year nine test pits and percolation tests were viewed by a member of the Planning Board.

Five major plans were signed by the Planning Board for recording purposes only.

A hearing for the first building expansion in the Commercial Zone was held and approved.

The plan for a nine hole golf course was brought before the Planning Board and was then referred to the Board of Adjustment.

One other case was referred to the Board of Adjustment. We spent several meetings working on procedure and application for a subdivision, which has been approved and printed and is ready for public use.

Richard A. Smith  
Chairman of Planning Board

**ANNUAL REPORT  
EAST KINGSTON BOARD OF ADJUSTMENT  
1980**

The East Kingston Board of Adjustment meets in response to applications for individual relief from the general application of the zoning laws of the Town. Applications received prior to the fifth day of the month will have a public hearing scheduled on the fourth Tuesday evening of that month. Applications received after the fifth day will have a public hearing scheduled for the fourth Tuesday of the following month. The time delay is necessitated in order to comply with the legal notice periods required by law.

In 1980 the Board acted in response to three applicants. Frank W. Colanton requested a variance to construct a golf course on the land of Priscilla Ross which he intended to purchase subject to a favorable decision of the Board. His request was granted subject to three conditions: (1) that the proposed use be the exclusive use of the entire parcel. (2) that the area visible from the road be substantially completed within one year, and (3) that a \$10,000 bond be posted subject to the successful completion of item (2). Robert E. Jackson requested an appeal from an administrative decision denying him permission to construct a house trailer on the land of Joseph M. White, which he proposed to purchase subject to a favorable decision by the Board. His appeal was denied due to the total lack of frontage on an approved road (Article VI, A). He has requested a rehearing on the issue. Russell and Carol Faxon requested a variance to permit the remodeling of a barn into a one bedroom apartment. This appeal was denied in accordance with Article VI, C.

In addition to the above, the appeal filed in Superior Court by Marshall E. Merrill from two separate decisions of the Board of Adjustment denying his application for a variance to permit a commercial operation at his home located in a residential area was denied by the Court. The Board believes that the owners of Frost's Garage have substantially completed their responsibilities under the

terms of the conditional variance granted and will meet upon request to consider granting a permanent variance.

Applications for variances may be obtained from the Selectmen's Office or from Mrs. Carolyn Merriam, Clerk, Board of Adjustment.

William R. Osgood  
Chairman

## **REPORT OF THE BUILDING INSPECTOR**

During the period of February 1, 1980 to January 31, 1981 there were 29 building permits issued in the Town of East Kingston.

- 5 - Houses
- 1 - House Trailer
- 7 - Garages
- 1 - Barn
- 11 - Additions, Alterations & Remodelings
- 1 - Solar heating system
- 3 - Miscellaneous
- 29 - TOTAL

Anyone wishing more information regarding building permits may contact me at 778-0669.

Respectfully submitted  
Everett W. Stone

## **REPORT OF THE CIVIL DEFENSE DIRECTOR**

During 1980 I attended area meetings on emergency planning for: Seabrook Station, Pease Air Force Base, Portsmouth Naval Shipyard, and local disasters.

As of November 1, 1980, I resigned as Civil Defense Director in order to spend more time on the Building Inspector's job.

The CD Directorship is still open and anyone that is interested in assuming this position should contact one of the selectmen.

Respectfully submitted  
Everett W. Stone

**ANNUAL REPORT FOR 1980  
CONSERVATION COMMISSION**

One dredge and fill permit was filed this year and was acted upon. In the near future we would like to do some limited testing on the Powow River, such as monitoring the quality of the water present. We also consulted Jim Hayden of the U.S. Soil Conservation Service to discuss mapping of town soils.

Respectfully  
Donald R. Ross  
Chairman Conservation Commission

## THE RECREATION COMMITTEE REPORT

The Recreation Committee would like to inform the voters of the following services completed during the past year:

We reported our short and long term goals to the Sounding Board and Selectmen.

We co-sponsored with the Police and Fish and Game Department, the annual fishing derby. We also organized the Family Field day in June and supervised our own summer program which was paid for out of funds donated by the Police Association and some townspeople.

We again funded Little League and had Halloween and Christmas parties which were held in the Town Hall. The merry-go-round purchased last year was installed at Foss-Wesson Field.

We offered new activities to the town - an exercise program in the spring and a story hour which ran concurrent with the school calendar. This year we are also offering a preschool kindergym session along with the story hour. And we supported the Merry Seniors with their allocated funds.

We would like to thank the Police and Firemen who are most supportive of our activities. We also owe special thanks to Peggy Kalashian, Joan Southwick and Austin Carter for their efforts in making our activities successful.

The committee includes new member Mary and Toby Russell in addition to Tony Batal, Chairman, Pat Mazur, Treasurer and Molly Allen, Secretary.

## **EXETER AREA VISITING NURSE ASSOCIATION, INC.**

The Exeter Area Visiting Nurse Association, Inc. is a community health service that provides health care to individuals and families in their home, in the office, or in clinics. The care may be to prevent disease, promote, maintain, or restore health or it may be to minimize the effects of illness or disability.

The Association is a non-profit agency governed by a Board of Directors. This Board is made up of people who are appointed by the selectmen in your town.

Funding for the Association comes from Medicare, Medicaid, patient fees, local taxes, and donations. Town appropriations make the service available to the town.

**HOME CARE.** Professional nurses give care to the sick and disabled under medical direction, teach and supervise care by the family and others. They are responsible for the management of patient care, coordinating the services of other disciplines, within and out of the Agency. Care is family centered and consideration is given to the total needs of the patient and family for health promotion and disease prevention and rehabilitation as well as care and support during the dying process.

**MATERNAL AND CHILD HEALTH.** Free visits are made to new or expectant mothers to provide information and instruction in the care of themselves and their babies. Well Child Clinics are held twice a month and provide the following services: Physical exams by a local physician, immunizations, hearing and vision screening, lead and urine testing, special counseling, family planning and referral when appropriate. The Clinics are for infants and preschool children.

**ADULT HEALTH SCREENING.** Clinics are held each month to check blood pressure, provide diet and medication counseling, and general health instruction. Referrals are made when appropriate. New clinics were added this year to test for diabetes.

**FLU CLINICS.** 12 Clinics are held each fall (1 in each town) to immunize hi-risk (65 and over, or chronic disease) persons against influenza.

**THERE IS NO CHARGE FOR ANY CLINIC SERVICES.**

The Association has many valuable volunteers who

work at the clinics in addition to staff.

**MENTAL HEALTH.** Visits to persons who have mental and/or emotional problems. Coordination between patient, family, psychiatrist and community.

**COMMUNICABLE DISEASE.** Visits to persons who have or are contacts or persons with tuberculosis for testing and/or medication and general health supervision. Other communicable diseases-testing and/or care as appropriate.

**CONTINUING CARE.** An Agency nurse is in the local hospital part of each day to assist in planning, coordinating and arranging for care at home so that a person can move from hospital to home without any interruption in care.

10,938 units of service were provided to residents of the service area between January 1, 1980 and December 31, 1980. (Individual town statistics are sent to the selectmen of each town).

Information may be obtained by calling the Exeter Area Visiting Nurse office, Monday through Friday, 8:00 a.m. to 4:00 p.m., 772-2981 or write to 26 Prospect Avenue, Exeter, N.H. 03833.

## EAST KINGSTON SCHOOL DISTRICT MEETING

The annual meeting of the East Kingston School District was called to order by Moderator Robert Donovan at 7:00 p.m. on Tuesday, March 4, 1980, at the town hall.

Reading of the warrant was waived as each article would be read before it was voted on.

**Article I.** To see if the District will vote to raise and appropriate the sum of \$2,612.00 (Two Thousand Six Hundred and Twelve Dollars) to reinstate the music teacher position at the East Kingston Elementary Schools. (By Petition)

Motion to raise the sum needed to reinstate the music teacher position was made by William Osgood. Mr. Osgood stated he felt music was part of the all around education. He felt it would be a tragedy to lose it. Motion was seconded by Carol Davis and so voted.

**Article II.** To see if District will vote to raise and appropriate the sum of \$3,500.00 (Three Thousand Five Hundred Dollars) to reinstate the Teacher Intern position at the East Kingston Elementary School. (By Petition)

Motion to raise the sum needed to reinstate the Teacher Intern position was made by William Osgood. The feeling expressed was that the Intern was needed to give the sixth grade class the continuity that is needed during the times the Principal/Sixth Grade Teacher is carrying out his duties as Principal. When asked why the two positions had been cut from the budget, the School Board replied it was strictly monetary. If the voters were willing to give them the extra money, the Board would go along with them. Motion was seconded by Daniel Guilmette and so voted.

**Article III.** To see if the district will vote to authorize the School Board to make application for, accept, and expend on behalf of the School District, all gifts, advances, grants in aid, revenue sharing funds or any other funds for educational purposes as may now or hereafter be available or forthcoming from the U.S. Government, the State of New Hampshire or any of its municipalities or any other state, local or federal agency.

Motion was made by Wilma Young, seconded by Mel Bowley, and so voted.

**Article IV.** To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the salaries for school district officials and agents and for the payment of the statutory obligation of the District.

Motion was made by Mel Bowley to raise and appropriate the sum of \$468,033.00 for the purpose of this article.

In answer to a question on the increase in expenditures, it was explained that many of them were due to the acquisition of Brown's Academy. William Osgood stated that he had looked into tuition charges relative to the cost of educating pupils in the state. Exeter was at about the two-thirds mark.

Motion was seconded by Rita Fairbanks and so voted.

**Article V.** To hear reports of agents, auditors, and committees or officers heretofore chosen and to pass any vote relating thereto.

There was no business under this article and so it was passed.

**Article VI.** To transact any other business that may come before this meeting.

Daniel Guilmette questioned Superintendent Fred King on the tuition costs for this year and next year. Mr. King said this year was \$1,621.00 for Junior High, and \$1,657.00 for High School. Next year will probably be about \$1,850.00 because of the Vocational Education program. William Osgood then expressed concern over the \$200.00 increase. Mel Bowley explained that all youngsters are not meant for college and this school would give them what they needed. Approximately 15 to 20 youngsters from this town will benefit from this program anyway. Mr. King then explained the tuition figure was just a guess. It would go into effect for the 1981-82 school year. According to the town's agreement with SAU #16, the tuition cost is based on the previous year's cost. The Voc Ed program will provide many opportunities and facilities for those youngsters that have not been taken care of as the system is now. It was also explained that selection was done by proportion to fill the quota for each class.

Kent Shepherd inquired if the Board anticipated more government help for the schools because of the increase in costs due to inflation, etc. The Board stated they would take help if not too many strings were attached.

A motion was made to adjourn by Elliott Estey, seconded by Carol Davis, and so voted at 7:45 p.m.

Respectfully submitted  
Catherine J. George  
Clerk

### **EAST KINGSTON SCHOOL DISTRICT SALARY REVIEW COMMITTEE**

Under Article V of the March 6, 1979, East Kingston School District Meeting the Moderator was authorized to appoint a committee to review the salaries of the East Kingston School District Officers and file its recommendations at the next annual meeting.

The committee reviewed the salaries of the district officers in communities of comparable size in S.A.U. #16.

Questionnaires were sent to all East Kingston School District officers to enable the committee to determine the amount of time each officer spends in fulfilling his duties.

The committee recognizes the fact that the recommended salaries do not adequately compensate the officers for their time but are merely tokens of appreciation from the citizens of this community.

## **SUPERINTENDENT'S REPORT**

### **East Kingston School District 1980-81**

The East Kingston Schools continue to show that one of the best academic programs in the Unit is being provided. Mr. Jeff Quinn, Principal, comments on this and other items in his report. I would like to quote it here for your information:

“1980 has been a year of very few changes for the East Kingston Schools. We have much confidence in the basic program that we offer to our children. Certainly we seek better ways to serve our children but we are very proud of the success we have had.”

Minor changes in the staff are as follows:

Mrs. Marjorie Floyd took the job as school secretary in April. Miss Wendy Drew is our new Title I tutor and teacher aide. Malcolm Libby has been hired as custodian of both Brown's Academy and the Elementary School. In September 1981 Mrs. Beverly Salomon was hired as a part time teacher assigned to Sixth Grade. The purpose of this teacher is to provide administrative time for the Principal. Her teaching responsibilities include Science, Mathematics, Health, Handwriting and Art.

Children, by and large, are placed in groups within their own classroom. As you know, both Reading and Mathematics are taught based on levels of achievement. We try, whenever possible, to have this instruction carried on by the grade level teacher. Therefore, the movement from one class to another for regular instruction is kept to a minimum.

Special programs - Speech, Title I Services, and Special Education are provided by a part time support staff. Children needing extra help or a special program are discussed thoroughly by our Placement Team. School Staff and Special Staff confer with parents using test data and teacher referrals to design programs that meet the needs of these children.

The community continues to be supportive of our efforts. Through the PTO parents have become involved to a greater extent providing fundraising activities and other programs that help the school. Under the direction of

Linda Andrzejewski and Mary Marcella the PTO has made a significant contribution to the children and the school.

We are proud of the children at East Kingston School. They reflect a wholesome home environment and generally show a strong interest and take active responsibility in their education. Our Annual Achievement Tests show above average scores in all areas and this seems to affirm our efforts. With this in mind we eagerly enter 1981."

To continue with Jeff's last paragraph I would like to comment on our test results. The Iowa Tests of Basic Skills were given to Grades 2, 4 & 6. The results showed we again rank in the top quarter of schools in this country. Reading was 85% for grade 4 and 88% for grade six. Mathematics was 85% for grade 4 and 87% for grade six. Isn't this **really** what education is all about? If our schools, our teachers, and our administrators are doing their job, and doing it well, our students will be well prepared and can compete nationally with anyone. We have such scores and our schools continue to maintain high quality. We do have schools we can be proud of and it is my belief most of our citizens are pleased with the results of the staff educational endeavors.

A new science program will be seen in most grades in September 1981. This is a result of the S.A.U. #16 Science Curriculum Study during this school year. This committee worked hard under the leadership of Richard Short, Teacher Consultant. Both school people and citizens actively worked to review, study and select a new program. Teachers are looking forward to working with these new materials next fall.

A complete evaluation of our elementary schools will be done by the time you read this report. Last year a committee reviewed our Senior High and Junior High Schools in detail. As a results commendation and suggestions were made, and we received 5 year accreditation for both schools. Now our elementary schools will be reviewed by the State Department and we will work with the results of that evaluation in all of our towns during the spring and fall of '81.

I would also like to report that 22 East Kingston students this year took advantage of the new vocational

programs at the high school. The so called "20 Center Concept" of which we are Region #18 is designed to make vocational education available to every Junior and Senior student who desires to pursue it. Courses in the basic high school curriculum for Freshman and Sophomores will lead up to the vocational programs. The programs this year have started out well. We have located a good staff to use the fine facilities to give student employment skills for their future.

Today, effective public education requires a strong school board and a Superintendent with whom they can work successfully in looking at the school system. It should be clearly understood that the board and Superintendent constitute a team, I believe we have just such a working relationship in East Kingston. I look forward to continuing to work with the board, staff and citizens as we "map together" the future of our youngsters in the East Kingston Schools.

Frederick B. King  
Superintendent of Schools
